Subject: RE: 2014-246 E: I Support Net Metering

Dear Ms. Sherwood,

This is to acknowledge receipt of your email to the Public Service Commission of South Carolina. I am forwarding your email to our Clerk's Office for processing. Your email will become a part of Docket No. 2014-246-E and will be posted on our website under this docket.

Please let me know if you should require any additional information.

Sincerely,

Deborah Easterling
Administrative Coordinator

Subject: 2014-246 E: I Support Net Metering

Dear Public Service Commission Public Service Commission,

I am happy to hear that S Carolina is supporting solar power and net metering. This is great news for a healthier world. Make it easy for people to use this solar sharing an I believe it will become common.

Sincerely,

Heather Sherwood
